to facilitate hands-on skills development and enable you to complete some of the labs in this course, we are providing you with a special feature code for IBM Cloud.

This feature code will enable you to either create an IBM Cloud account without a credit card, or extend the validity of your existing IBM Cloud trial.

Please check the box and click on the Open tool button below to obtain a unique Feature Code and copy it. You will be able to apply it using the instructions that follow in a subsequent lab in the course.

NOTE: If you have already applied your IBM Cloud feature code in another course/lab to create an IBM Cloud account or extend its trial, please skip this item, as the code can only be used once.

- inquire about the status of your ID
- request your account settings (including your personal information)
- at its option, convert it to an enterprise ID.

If your account was created as (or is converted to) an enterprise ID, your organization manages your account information. It is also the authenticating agency for your ID, meaning your access is controlled by your organization's login service.
